

30th International Congress on Sound & Vibration

Sponsorship program

30th International Congress on Sound & Vibration

INVITATION TO SPONSORS AND EXHIBITORS

The International Institute of Acoustics and Vibration (IIAV) and the Dutch Acoustical Society (NAG) are pleased to invite sponsors and exhibitors to attend the 30th International Congress on Sound and Vibration (ICSV30) to be held in Amsterdam 8 - 11 July 2024.

This congress is a leading event in the area of acoustics and vibration and provides an important opportunity for scientists and engineers to share their latest research results and exchange ideas on theories, technologies, and applications in these fields.

The congress will feature a broad range of high-level technical papers from across the world: distinguished plenary lectures will present recent developments in important topics of sound and vibration and include discussions about future trends.

WHY SHOULD YOU SUPPORT ICSV30?

ICSV30 will allow you to reach a large number of engineers and scientists from multiple businesses and universities in the field of Acoustics and Vibration from all over the world as well as many students in acoustics and vibration who will soon buy your products or services.

We offer many visibility possibilities in function of which package you choose, such as:

- Conference app
- ICSV30 website
- IIAV journal advertisement
- Various customizable opportunities during the congress

Don't miss the opportunity to become involved in ICSV30.

For more information contact our exhibition manager: sponsors@icsv30.org.
